Limited Warranty
World Factory, Inc.® (Seller) warrants to the original Buyer only, that each Astonica® Product will be free from defects in material and workmanship for a period of one (1) year from date of purchase. SELLER’S SOLE OBLIGATION AND BUYER’S EXCLUSIVE REMEDY UNDER THIS LIMITED WARRANTY SHALL BE THE REPAIR OR REPLACEMENT OF PARTS, WITHOUT CHARGE, WHICH ARE DEFECTIVE IN MATERIAL OR WORKMANSHIP. ANY PARTS AS DETERMINED BY THE SELLER WHICH HAVE BEEN MISUSED; ABUSED OR DAMAGED EITHER DIRECTLY OR INDIRECTLY FROM REPAIRS OR ALTERATIONS ATTEMPTED BY UNAUTHORIZED PERSONS; IMPROPER MAINTENANCE, NEGLECT OR ACCIDENT ARE NOT COVERED BY THIS LIMITED WARRANTY. This warranty does not apply to damage, heat-induced coloration changes, scratching or alteration due to normal use or weathering. To make a claim under this Limited Warranty, you must return the complete product with proof of purchase, transportation prepaid, to any World Factory, Inc.® authorized service center. Call 1-888-424-3354 for the location of the nearest authorized service center.

Additional Limitations
THIS LIMITED WARRANTY DOES NOT APPLY TO ACCESSORY OR CONSUMABLE ITEMS RELATED TO THIS PRODUCT. ALL IMPLIED WARRANTIES SHALL BE LIMITED IN DURATION TO ONE (1) YEAR FROM DATE OF PURCHASE. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LIABILITY FOR LOSS OF PROFITS, ARISING FROM THE SALE OR USE OF THIS PRODUCT.

If any provision of this Limited Warranty is for any reason held to be invalid or unenforceable, such provision shall not affect any other provision herein, this Limited Warranty shall be construed as if such invalid and/or unenforceable provision had never been contained herein.

This Warranty contains the entire agreement between Seller and Buyer and supersedes any and all prior agreements, arrangements, or understandings between the parties relating to product warranty.

Read the instructions and precautions before use of this product

Carefully remove the contents from the package. If any parts are missing do not attempt to use the product until they have been obtained and correctly installed.

IF YOU HAVE ANY PROBLEMS OR QUESTIONS CONCERNING THIS PRODUCT, DO NOT RETURN IT TO YOUR RETAILER. CONTACT CUSTOMER SUPPORT AT 1-888-424-3354.

NOTE: This product is intended for residential, non-commercial use.
ASSEMBLY INSTRUCTIONS

1. Choose a flat surface with plenty of room to work from the inside and outside the greenhouse. 
   Assemble the greenhouse by starting with the base and working your way upward in layers.

2. (SEE FIGURE 1) Arrange tubes (A) and (C) in the general shape of the base.
   Place connectors (4) and (5) at their appropriate locations. Begin assembly at one corner by
   inserting the tubes into the connectors with a twisting motion.
   CAUTION: Make sure the tubes are fully seated in the connectors before continuing.

3. (SEE FIGURE 2) Assemble greenhouse shelves 1, 2 and 3 in a similar manner.
   NOTE: Shelves 1 and 2 are identical.

4. (SEE FIGURE 3) Insert vertical tubes (B) into each of the base connectors.
   CAUTION: Make sure the tubes are fully seated in the connectors before continuing.

5. Position an assembled shelf 1 onto the vertical tubes (B) in the base so that the tubes engage the connectors. Carefully push down on the connectors until fully seated.
   CAUTION: Make sure the tubes are fully seated in the connectors before continuing.

6. Repeat steps 4 and 5 for the remaining shelves 2 and 3.
   CAUTION: Make sure the tubes are fully seated in the connectors before continuing.

7. (SEE FIGURE 4) Place one long horizontal tube (C) between the two upper shelves 4 at the rear of the green house as shown.
   CAUTION: Make sure the tubes are fully seated in the connectors before continuing.

8. (SEE FIGURE 5) Begin the roof construction by inserting roof tubes (D) into roof connectors (12) and (13). Place these roof support assemblies on top of the shelves in the order of installation.

9. Lift one roof support assembly into position and insert the ends into the shelf outside connectors. Repeat for the other three supports.

10. (SEE FIGURE 6) Secure the ridge of the roof by installing horizontal tubes (C). Insert on end of the tube into the connector (13) of the roof support, spreading the adjoining roof support only enough to insert the other end of the horizontal tube (C) into the second connectors (12). Repeat for the other roof supports.
   CAUTION: Make sure the tubes are fully seated in the connectors before continuing.

11. (SEE FIGURE 7) Place a wire rack (E) on base and shelves.

12. Slide the clear plastic cover over the greenhouse making sure the door opening is to the front.

13. Secure the greenhouse cover with ground stakes (G).
